Stitch & Thread Suggestions

Large **"Home"**: outline letters using whipped backstitch or stem stitch; fill in letters using brick stitch or satin stitch OR leave unfilled if preferred. Stitch with black six-strand embroidery floss, using all six strands (or only 4 strands if a thinner line is desired). Alternatively, use black pearl cotton in size 5 (or size 8 for a slightly thinner line).

Small **"HOME"**: backstitch OR straight stitches with stem stitch for "O". Use 2 strands out of six of black embroidery floss OR 1-2 strands of black size 12 pearl cotton.

"Sweet": backstitch with parallel rows for thicker areas OR combination of backstitch into chainstitch for thicker areas. Stitch with 2 strands out of six of red embroidery floss. Use DMC #817 "Very Dark Coral Red" to match red heart.

*Please note: these are suggestions only. As always, we encourage you to use any variety of stitches you like. There are many other stitches that would be suitable for embroidering this pattern based on your level of experience.
